

YEF First Grant Round Approved Grantees

Mental Health Foundation

Partners: Park Campus Academy Pupil Referral Unit, London Nautical School, Saint Gabriel's College, Black Thrive, Colourful Minds, Youth Guidance.

Name and aim of programme: Becoming a Man (BAM).

BAM will develop social-emotional skills and encourage positive anger expression through a trauma-informed counselling project integrating clinical theory and practice, men's rites of passage work and a dynamic approach to youth engagement. Delivery of BAM in the UK is subject to a licensing approval process that is currently taking place.

Locations being delivered in: 80% of participants live in Lambeth, the rest are from Bromley, Lewisham, Southwark and Islington.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Dartington Service Design Lab and University of Plymouth.

Funding: £1,083,271.

Blackburn with Darwen Borough Council

Partners: Hyndburn Borough Council, Burnley Borough Council, Pendle Borough Council, Rossendale Borough Council, Lancashire County Council, Lancashire Constabulary, Lancashire Probation Service, Blackburn & Darwen District Without Abuse Ltd, Change Grow Live.

Name and aim of programme: Pause 4 Thought.

Informed by principles from cognitive behavioural therapy, this project aims to address early stage criminality by teaching young people to recognise warning signs which could lead to harm and how to respond effectively to stay out of trouble.

Locations being delivered in: Blackburn with Darwen, Burnley, Hyndburn, Pendle and Rossendale.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Dartington Service Design Lab and University of Plymouth.

Funding: £434,000.

Life Skills Education Charity

Partners: Nottinghamshire Police.

Name and aim of programme: DARE 25.

DARE 25 works with younger children to teach them about the dangers of knife and hate crime and about making informed choices about substances, through teaching key social and cognitive skills to reduce engagement in risky behaviours, based around the Drug Abuse Resistance Education (DARE) decision making model.

Locations being delivered in: Nottinghamshire; Sheffield; Rotherham; Doncaster; Chesterfield and Derby.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Sheffield Hallam University.

Funding: £647,102.

Leicestershire County Council

Partners: N/A

Name and aim of programme: Advanced Lifeskills.

Delivered in the classroom with training and delivery support provided by Barnardo's, Advanced LifeSkills aims to develop young people's attitudes to healthy decision-making through themed activities which improve their social and emotional skills and help them to learn about decision-making, risk and consequences.

Locations being delivered in: Leicestershire.

Type of evaluation: Pilot Study.

Evaluator: Sheffield Hallam University.

Funding: £486,165.

Wakefield Council Youth Work Team

Partners: N/A

Name and aim of programme: Branching Out.

Branching Out multi-phase activity programme aims to empower young people by providing resilience building strategies and skills to enable them to make informed choices around risk. The programme will use street-based outreach and a school programme to build relationships, mentoring and offer a multi-activity week culminating in youth-led social action projects.

Locations being delivered in: Wakefield, West Yorkshire.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Sheffield Hallam University.

Funding: £656,244.

Roots of Empathy

Partners: N/A

Name and aim of programme: Nurturing Empathy Before Transition.

The programme aims to reduce aggression in school children and increase social and emotional competence and empathy by coaching pupils to connect with a baby and their parent who visits throughout the school year, reinforced by additional themed lessons with an instructor.

Locations being delivered in: Doncaster; Northamptonshire; Birmingham City Council; Lambeth; Lewisham; Hackney; Royal Borough of Kensington and Chelsea and Southwark.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Sheffield Hallam University.

Funding: £285,700.

The Titan Partnership

Partners: Lime Social Marketing, Media & Communications Ltd, Emerge Leadership UK.

Name and aim of programme: The Confident Resilient Children Project.

The project is aimed at enabling students to respond to challenging situations through a classroom programme using digital interactive stories, with targeted mentoring support to help higher risk pupils build further resilience.

Locations being delivered in: Birmingham.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: NatCen Social Research.

Funding: £488,855.

LifeLine Community Projects

Partners: n/a.

Name and aim of programme: SWITCH Lives.

The project aims to promote positive actions and emotions and reduce risky behaviour among at-risk young people, by providing consistent, positive role models through weekly mentoring and access to supportive peer networks via community activities.

Locations being delivered in: London boroughs of Barking and Dagenham, Havering, Redbridge and Thurrock.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: NatCen Social Research.

Funding: £502,676.

Lives Not Knives

Partners: n/a.

Name and aim of programme: LNK Educate

LNK will deliver training and provide a toolkit of resources about crime and violence prevention to teachers and support staff in schools with the highest rates of pupil exclusion to encourage a "whole school approach" to crime and violence reduction, with mentoring provided to those identified as highest risk.

Locations being delivered in: Croydon.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: NatCen Social Research.

Funding: £1,010,000.

Empire Fighting Chance

Partners: NAOS CIC.

Name and aim of programme: Creating New Futures Through Boxing.

A programme combining non-contact boxing with intensive personal support to create healthier thinking, improve confidence and support goal setting.

Locations being delivered in: City of Bristol, Gloucestershire County Council, Herefordshire County Council and South Wales (Blaenau Gwent, Caerphilly, Merthyr Tydfil, Monmouthshire, Rhondda Cynon Taf, Torfaen and Vale of Glamorgan).

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Manchester Metropolitan University.

Funding: £737,359.

South London and Maudsley NHS Foundation Trust (SLaM)

Partners: Birmingham Children's Trust Community Interest Company and Forward Thinking Birmingham, Kirklees Council, Nottingham City Council and Sandwell Children's Trust.

Name and aim of programme: Multisystemic Therapy - Exploitation (MST-E).

MST aims to keep children safely at home, to reduce offending, improve family relationships and ensure school attendance through intensive systemic family therapy, support and behavioural interventions tailored to each family's needs and strengths.

Locations being delivered in: Birmingham City Council, Kirklees Council, Nottingham City Council and Sandwell Metropolitan Borough Council.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: to be confirmed.

Funding: £2,736,293.

The Tavistock and Portman NHS Foundation Trust

Partners: n/a.

Name and aim of programme: Reducing risk factors associated with crime for Year 6-7 children.

The programme supports young people with impulsive or disruptive behaviour, at the key transition phase of primary to secondary school, through providing skills-based therapeutic support to enable participants to manage their behaviour and provides families with strategies to support and sustain change.

Locations being delivered in: London boroughs of Haringey, Islington and Camden.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: to be confirmed.

Funding: £920,156.

Family Psychology Mutual

Partners: London Borough of Redbridge, Functional Family Therapy LLC (based in Seattle USA).

Name and aim of programme: Functional Family Therapy for young people at risk of gang Involvement and exploitation (FFT-G).

The project will work to improve life at home for those at risk of gang involvement by providing a Functional Family Therapy Worker to work with the family to reduce conflict, build positive relationships and provide a safe environment for the young person.

Locations being delivered in: London Borough of Redbridge.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: To be confirmed.

Funding: £781,055.

Achieving for Children

Partners: St Mary's University, Twickenham, Middlesex and Cambridge Education (on behalf of the London Borough of Barnet).

Name and aim of programme: Transition hub for children new to and on the edge of care.

The transition hub will offer personalised support for a young person, their carer and their school when they first enter care or experience a change in school and/or foster care placement. In providing a safe space and tailored programme, the Transition Hub aims to support greater stability in school and care placements.

Locations being delivered in: Barnet Local Authority and Achieving for Children (Kingston, Richmond and Maidenhead Local Authorities).

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: to be confirmed.

Funding: £975,000.

ASSIST Trauma Care

Partners: N/A.

Name and aim of programme: The Guiding Young Minds (GYM) Programme.

GYM addresses the issues of vulnerable young people displaying risky behaviours, through focussed youth work and Trauma Focussed Cognitive Behaviour Therapy, helping to include parents and carers wherever possible before progressing to specialist youth support and mentoring to focus on redirecting their lives.

Locations being delivered in: Northamptonshire and Warwickshire.

Type of evaluation: Pilot Study.

Evaluator: University of Hertfordshire.

Funding: £636,548.

Family Support

Partners: n/a.

Name and aim of programme: Transition and Resilience Project.

The Transition and Resilience Project provides intensive wrap-around support, including counselling, mentoring and digital support, which builds functional skills, increases resilience and improves wellbeing, with the intention of reducing school exclusions which can be a contributory factor in young people becoming involved in criminal activity.

Locations being delivered in: London Borough of Hammersmith and Fulham.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: University of Hertfordshire.

Funding: £504,487.

RISE Mutual CIC

Partners: n/a.

Name and aim of programme: Child to Parent Violence (CPV).

The project helps young people displaying violence towards their parents to reduce harmful and destructive behaviours in the home environment and community by teaching the parents non-violent resistance techniques and engaging the young person in one-to-one sessions adapted to meet their needs and issues, drawing on cognitive behavioural techniques.

Locations being delivered in: London Borough of Bromley, London Borough of Croydon.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: University of Hertfordshire.

Funding: £564,308.

Brandon Centre for Counselling and Psychotherapy for Young People

Partners: n/a.

Name and aim of programme: The Brandon Centre Systemic Integrative Treatment (BC-SIT).

The project aims to prevent young people with behavioural problems from entering out-of-home care by providing intensive therapeutic support to young people and engaging their families and engaging key influencers such as teachers and community members who can champion the young person to sustain positive change.

Locations being delivered in: London boroughs of Enfield, Haringey, Camden and Islington.

Type of evaluation: Pilot Study.

Evaluator: University of Hertfordshire.

Funding: £563,819.

South Tyneside Council

Partners: Wellbeing Challenge CIC.

Name and aim of programme: Thurston Family Resilience Project.

The project will combine direct teaching of skills with residential experiences and outdoor and community activities to provide the young person and their family with the skills and tools necessary for them to engage with their community and peers positively.

Locations being delivered in: South Tyneside.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: IPSOS MORI.

Funding: £324,570.

Essex Boys and Girls Clubs

Partners: Boys and Girls Clubs of Greater Manchester; Boys and Girls Clubs of South Yorkshire; Boys' and Girls Clubs of Wales; Lancashire Association of Boys and Girls Clubs and Young Bristol.

Name and aim of programme: The Respect Project.

The project is an alternative education programme utilising outdoor activities, life-skills sessions and a residential experience to help young people re-engage with their education, reducing the risk of school exclusion, In building resilience and making informed choices.

Locations being delivered in: Barnsley BC; Bath and North East Somerset Council; Blackburn with Darwen BC; Blackpool Council; Bolton BC; Bristol City C; Bury BC; Doncaster BC; Lancashire CC; Manchester City C; Oldham BC; Rotherham BC; Sheffield City C; Vale of Glamorgan.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: IPSOS MORI.

Funding: £518,010.

St Christopher's Fellowship

Partners: London Borough of Barnet.

Name and aim of programme: Protective sibling mentoring and connecting service.

The project aims to engage those with a sibling known to the youth justice system, mentoring them to identify goals and connecting them to other services following the

programme, whilst the London Borough of Barnet provides comprehensive support to their family.

Locations being delivered in: London Borough of Barnet.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Manchester Metropolitan University.

Funding: £402,605.

London Borough of Lambeth

Partners: Lambeth Metropolitan Police Service and Juvenis.

Name and aim of programme: Divert Youth.

This project works with young people when they enter police custody, utilising that 'teachable moment' to engage them in a 12-week programme of strengths-based support alongside full health assessment and providing parenting support.

Locations being delivered in: London Borough of Lambeth/ Southwark.

Type of evaluation: Feasibility Study; Pilot Study.

Evaluator: Manchester Metropolitan University.

Funding: £897,863.
